

Knit & Natter

We meet up once a month to enjoy a cup of tea and a bit of chat while we work on our latest knitting or crochet projects.

In addition to their own sweaters and scarves and shawls, some of our members have also knitted Twiddle Muffs for Alzheimer's sufferers and poppies for Remembrance Sunday.

Sitting in front of the fire with a cup of tea at your side and a pile of knitting on your lap is very cosy ... so this does tend to be an activity that takes place in the autumn and winter months.

Of course, if you're not in to knitting, you could just come along for the natter ...
